

Download and Install OrangeHRM with .zip version

Following steps are implemented

Step-1 [Search OrangHRM on Google.]

The screenshot shows a Google search for "Orange HRM". The search bar at the top contains "Orange HRM" and the Google logo is on the left. Below the search bar, there are tabs for "All", "Images", "Videos", "News", "Maps", and "More". The search results show "About 31,200,000 results (0.41 seconds)". The first result is "OrangeHRM | Free Web-based HR Software | HRMS | Cloud HR ..." with a link to <https://www.orangehrm.com/>. The second result is "Download Free HRMS | Free HRM Software | Free HR ... - OrangeHRM" with a link to https://www.orangehrm.com/OrangeHRM_Download_Software. The third result is "Free HRMS | Free HRM Software | Free HR Software ... - OrangeHRM" with a link to <https://www.orangehrm.com/OpenSource>. The fourth result is "OrangeHRM - Human Resource Management | SourceForge.net" with a link to <https://sourceforge.net/projects/orangehrm/>. On the right side, there is a knowledge panel for "OrangeHRM Company" with the logo "HR for ALL" and an orange fruit icon. The panel includes the website [orangehrm.com](https://www.orangehrm.com), a description of the company, and details: Headquarters: Secaucus, Founder: Dinesh Saparamadu, Founded: 2005, Number of employees: 100, and Type of business: Private. At the bottom of the panel, there are social media icons for LinkedIn, Twitter, Google+, and YouTube.

Step-2 [Click to open the official sites. You'll get]

Step 1: License Acceptance

Please read the license and click **[I Accept]** to continue.

GNU GENERAL PUBLIC LICENSE
Version 2, June 1991

Copyright (C) 1989, 1991 Free Software Foundation, Inc.
51 Franklin St, Fifth Floor, Boston, MA 02110-1301 USA
Everyone is permitted to copy and distribute verbatim copies
of this license document, but changing it is not allowed.

Preamble

The licenses for most software are designed to take away your freedom to share and change it. By contrast, the GNU General Public License is intended to guarantee your freedom to share and change free software--to make sure the software is free for all its users. This General Public License applies to most of the Free Software Foundation's software and to any other program whose authors commit to using it. (Some other Free Software Foundation software is covered by the GNU Library General Public License instead.) You can apply it to your programs, too.
